Is 30 Minutes of Your Time Worth All of This?

The annual Spring Carnival will be March 30th, 5-8 p.m. This event raises money for PTO. Our mission is to improve the education of the students at Ellsworth Elementary School and Kanopolis Middle School. How do we do that? We provide:

- AR Reading Program Prizes (apple/banana, pizza, and movie/game rental coupons, key chains, books, etc.)
- AR Reading Reward Field Trip to All Stars in Wichita for Grades 3-6
- Classroom supplies
- Supplies for special classroom events and parties
- Fall and spring assemblies such as KC Wolf, BMX bike stunt rider, Cosmosphere, Mr. Stinky Feet
- Trunk or Treat treats
- Class field trips
- KMS Reward Day supplies such as human foosball and root beer floats
- Financial support for Theme Day and Health Day
- After School Program snacks
- Value Card Ice Cream Party

This is just a partial list of things that PTO does at the elementary and middle schools. In order for us to provide this to your child or children, we have to have money. The carnival is a way to raise money for PTO. So how can you help? All you have to do is donate an

item or money for your child's class basket and work in your child's classroom for 30 minutes during the carnival.

So, do you have just 30 minutes of time to donate to a great cause—your child?
